

# LEADER IN REPRODUCTIVE HEALTH, POPULATION AND DEVELOPMENT

## **JOB RE-ADVERTISEMENT:**

UNFPA is the lead UN agency for delivering a world where every pregnancy is wanted, every childbirth is safe and every young person's potential is fulfilled. UNFPA's new strategic plan (2022-2025), focuses on three transformative results: to end preventable maternal deaths; end unmet need for family planning; and end gender-based violence and harmful practices.

In a world where fundamental human rights are at risk, we need principled and ethical staff, who embody these international norms and standards, and who will defend them courageously and with full conviction.

UNFPA Sierra Leone Country Office is seeking candidates that will transform, inspire and deliver high impact and sustained results; we need staff who are transparent, exceptional in how they manage the resources entrusted to them, and who commit to deliver excellence in programme results.
